REQUEST FOR CERTIFICATE OF CORRECTION
UNDER 35 U.S.C. 255 § AND 37 C.F.R § 1.322

Dear Sir:

The holder of U.S. Patent No. 7,417,137 B2 hereby requests correction of an error in the issued document. A completed copy of Certificate of Correction Form PTO/SB/44, reciting the specific change required, accompanies this request.

The correction neither constitutes new matter nor requires re-examination. The holder of U.S. Patent No. 7,417,137 B2 further submits that the requested correction does not materially affect the scope or meaning of the patent.

The holder of U.S. Patent No. 7,417,137 B2 submits that a typographical error was made by the U.S. Patent and Trademark Office. Accordingly, no fee is required. The § 371 official

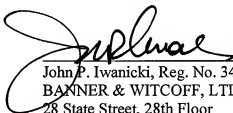

filing date was incorrectly identified on the Letters Patent as March 26, 2002. The correct § 371 official filing date is March 22, 2002. The correct § 371 official filing date of March 22, 2002 is clearly disclosed in the records of the U.S. Patent and Trademark Office.

The holder of U.S. Patent No. 7,417,137 B2 is providing herewith documentation that unequivocally supports that the correct § 371 official filing date is March 22, 2002. Attached are copies of the returned, stamped postcard and Express Mail Receipt, and a Notice of Acceptance of Application Under 35 U.S.C. 371 and 37 CFR 1.495 mailed April 11, 2003, evidencing that the correct § 371 official filing date is March 22, 2002.

Accordingly, the holder of U.S. Patent No. 7,417,137 requests that a certified Certificate of Correction to correct the § 371 (c)(1), (2), (4) date be issued.

Respectfully submitted,

Dated: November 25, 2008

John P. Iwanicki, Reg. No. 34,628
